You and Magnolia International hereby accept and agree to the following terms and conditions:

1. Your "Contributions" means all of your past, present and future contributions of object code, source code and documentation to Magnolia International, however submitted to Magnolia International, excluding any submissions that are conspicuously marked or otherwise designated in writing by You as "Not a Contribution."
2. You hereby grant to Magnolia International a non-exclusive, irrevocable, worldwide, no-charge, transferable copyright license to use, execute, prepare derivative works of, and distribute (internally and externally, in object code and, if included in your Contributions, source code form) your Contributions. Except for the rights granted to Magnolia International in this paragraph, You reserve all right, title and interest in and to your Contributions.
3. You represent that you are legally entitled to grant the above license. If your employer(s) have rights to intellectual property that you create, you represent that you have received permission to make the Contributions on behalf of that employer, or that your employer has waived such rights for your Contributions to the Foundation.
4. You represent that, except as disclosed in your Contribution submission(s), each of your Contributions is your original creation. You represent that your Contribution submission(s) include complete details of any license or other restriction (including, but not limited to, related patents and trademarks) associated with any part of your Contribution(s) (including a copy of any applicable license agreement). You agree to notify Magnolia International of any facts or circumstances of which you become aware that would make Your representations in this Agreement inaccurate in any respect.
5. You are not expected to provide support for your Contributions, except to the extent you desire to provide support. You may provide support for free, for a fee, or not at all. Your Contributions are provided as-is, with all faults defects and errors, and without warranty of any kind (either express or implied) including, without limitation, any implied warranty of merchantability and fitness for a particular purpose and any warranty of non-infringement.
